Annexe 1 – List of Disciplines by School

LEX 1.2.9
Of 1st January 2017, status as at 11th September 2017

School of Basic Sciences - FSB
- Molecular and Biological Chemistry
- Chemical Engineering and Biotechnology
- Mathematics
- Applied Mathematics
- Mathematics for Education
- Computational Science and Engineering
- Physics
- Applied Physics
- Nuclear Engineering

School of Engineering - STI
- Electrical and Electronic Engineering
- Mechanical Engineering
- Energy Management and Sustainability
- Microengineering
- Materials Science and Engineering

School of Architecture, Civil and Environmental Engineering - ENAC
- Architecture
- Civil Engineering
- Environmental Sciences and Engineering

School of Computer and Communication Sciences - IC
- Computer Science
- Communication Systems

School of Life Sciences - SV
- Bioengineering
- Life Sciences and Technology

College of Management of Technology - CDM
- Financial Engineering
- Management, Technology and Entrepreneurship

College of Humanities - CDH
- Digital Humanities

EPFL Middle East
- Energy Management and Sustainability
