Annexe 2

List of Schools, Sections, Institutes and Centres

1 January 2017

http://organigramme.epfl.ch/organigrammes/

School of Basic Sciences – FSB
- FSB – Section of Chemistry and Chemical Engineering
- FSB – Mathematics Section
- FSB – Physics Section
- Mathematics Institute of Computational Science and Engineering
- Mathematics Institute for Analysis and Applications
- Mathematics Institute for Geometry and Applications
- Institute of Chemical Sciences and Engineering
- Institute of Physics
- European Centre of Atomic and Molecular Computations
- Bernoulli Centre
- Biomedical Imaging Research Center
- Interdisciplinary Center for Electron Microscopy
- Max Planck-EPFL Centre for Molecular Nanosciences and Technology
- Swiss Plasma Center

School of Engineering and Electrical Engineering – STI
- STI – Electrical Engineering Section
- STI – Mechanical Engineering Section
- STI – Microengineering Section
- STI – Section of Materials Science and Engineering
- Interfaculty Institute of Bioengineering (STI)
- Institute of Electrical Engineering
- Institute of Mechanical Engineering
- Institute of Microengineering
- Institute of Materials Science and Engineering
- Competence Centre for Materials Science and Technology CEPF, leading house EFPL
- Center of MicroNanoTechnology
- Molecular and Hybrid Materials Characterization Center
- PRN – Computational Design and Discovery of Novel Materials
- PRN – Robotics
- SCCER - Future Swiss Electrical Infrastructure - Leading House EPFL

School of Architecture, Civil and Environmental Engineering – ENAC
- ENAC – Architecture Section
- ENAC – Civil Engineering Section
- ENAC - Environmental Science and Engineering Section Institut d'architecture et de la ville
- Civil Engineering Institute
- Environmental Engineering Institute
- Habitat Research Center
Annexe 2

List of Schools, Sections, Institutes and Centres

1 January 2017

School of Computer and Communication Sciences – IC
IC – Computer Science Section
IC – Communication Systems Section
Computer and Communication Sciences Institute

School of Life Sciences – SV
SV – Life Sciences and Technology Section
Brain Mind Institute
Interfaculty Institute of Bioengineering (SV)
Swiss Institute for Experimental Cancer Research
Global Health Institute
Center for Neuroscience and Technology
Centre of PhenoGenomics
NCCR Molecular Oncology PRN-MO

College of Management of Technology - CDM
CDM - Management of Technology Section
CDM - Financial Engineering Section
Management of Technology and Entrepreneurship Institute
Institute of Technology and Public Policy
Swiss Finance Institute at EPFL

College of Humanities - CDH
CDH - Section of Digital Humanities
Institute for Area and Global Studies
Digital Humanities Institute

EPFL Middle East
ME - Energy Management and Sustainability Section
